Shanxi Taigang Stainless Steel Company Co. Ltd. (TISCO) grants FAC to KOCKS for the new RSB® 5.0

The Chinese stainless steel producer Shanxi Taigang Stainless Steel Company Co. Ltd. (TISCO) issued to Friedrich KOCKS GmbH & Co KG, Germany, the FAC (Final Acceptance Certificate) for the 3-roll Reducing & Sizing Block (RSB®) 370++/4 in 5.0 design.

TISCO is one of the biggest stainless steel producer worldwide and ranks among the “China 500 Most Valuable Brands”. The company is located in the Shanxi province and produces flat and long products for various high quality demanding industries.

The new RSB® is part of the modernization and upgrade of the existing stainless steel rolling mill and produces various austenitic, martensitic and ferritic stainless steel, duplex and nickel based alloys within a dimension range of Ø 16.0 up to Ø 100.0 mm.
